

# Flex MBA

On campus or online

## An MBA for working professionals.

A modern approach built on core MBA fundamentals—that’s what sets the WashU Olin Flex MBA apart. Our dynamic, flexible program features collaborative and hands-on learning that helps you thrive, whether you take courses in person or online. Our curriculum is designed to immerse you in current business challenges and contemporary solutions, giving you a competitive edge.

“Olin has a great program — from the professors to the content to the students. It’s clear that WashU has really thought about what students seeking more flexibility need to be successful.”
