## Why our online finance program?

A certificate or degree from WashU is well respected and will open doors throughout your career.

This program is ideal for busy professionals with 2 to 10 years of work experience who want work/life balance while they go to school.

As you earn your degree, expert career services professionals will partner with you to help you achieve your career goals.

Three levels of credentials—**Graduate Certificate, Advanced Graduate Certificate** and **Degree**—allow you to build your resume before completing the program.

**Potential career paths:** Capital markets and research, financial analyst, private equity investment banking, commercial banking, consulting
