

EXECUTIVE EDUCATION

Excellence in Executive Education

**Grow professionally with best-in-class learning
from two premiere institutions**

St. Louis business leader Robert S. Brookings founded the DC-based think tank and led Washington University's governing board for decades. Robert Brookings's legacy of excellence and his desire to impact the future are firmly imprinted on both institutions.

Today, Washington University and the Brookings Institution collaborate in many ways, including providing best-in-class executive education for business and government audiences through WashU Olin Business School and WashU at Brookings.

Certificate Programs

Take a deep dive into a specific area to become fluent in a subject.

Women's Leadership Program Washington, DC and St. Louis | \$6,600

Gender representation in leadership results in more creative and innovative teams with problem-solving prowess that leads to success. The Women's Leadership Program exists to sustain this impact and mobilize resources to support the growth and development of women leaders. This program is open to anyone interested in these topics.

LEGIS Fellows Program Washington, DC | Cost Varies

For more than 25 years, the LEGIS Fellows program has attracted professionals from government agencies, businesses and the nonprofit sector. It begins with an in-depth orientation that explains legislative mechanics, builds a cohort community and prepares fellows for the immersive experience. Following orientation, fellows serve as staff with a Representative or Senator or on a Congressional committee. It's a one-of-a-kind opportunity to see behind the scenes of the legislative process.

Learn more about
certificate programs

Advanced Management Certificate Cost Varies

With WashU Olin's Advanced Management Certificate (AMC), you build your certificate to suit your needs and interests. Fine-tune your leadership skills to help respond to challenging situations, improve your decision-making abilities and lead in complex, uncertain environments. This certificate links strategy and leadership with executional skills to provide an integrated view of business functions.

Certificate in Public Leadership Cost Varies

The Certificate in Public Leadership (CPL) strengthens your ability to lead change in a complex, uncertain world. Open to professionals at any career stage, this certificate also provides a network of professionals from across government, business and nonprofit who share your commitment to public service and offer a wealth of knowledge and resources.

Certificate in Policy Strategy Cost Varies

The Certificate in Policy Strategy (CPS) provides insider knowledge that helps you engage more effectively in government decision-making, predict likely policy outcomes, and leverage windows of national and international opportunity. This certificate is open to experienced professionals from government agencies, business and nonprofit organizations. This certificate's curriculum includes six required courses.
