

SPECIALIZED MASTER'S 2026 OCTOBER START

Alternative Fall Semester Plan

To support students impacted by visa delays or later application timelines, WashU Olin Business School offers an October start option for five specialized master's programs. Students will have the same internship and career opportunities throughout their program and will retain their anticipated December 2027 graduation date.

Application Deadline: September 15, 2026

Programs Eligible for 2026 October Start

Master of Accounting

MS in Business Analytics

Concentrations: Accounting, Customer, Healthcare, FinTech, Supply Chain

MS in Finance

Wealth & Asset Management

MS in Finance

Quantitative Finance

MS in Supply Chain Management

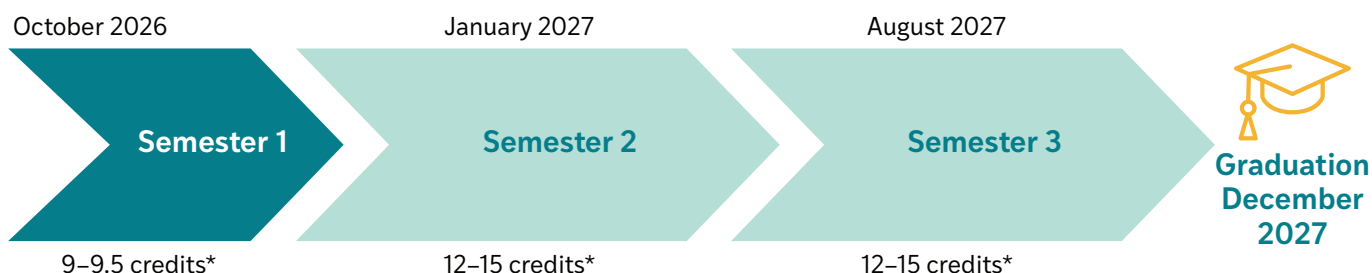

Same Curriculum, Condensed Format

Courses will include the same academic content and credit hours as the traditional August-start schedule. The mid-semester fall start will:

- Shift the semesters that students take some electives and required courses
- Condense some required fall courses into a half-semester format with twice the typical weekly content hours

Program Schedule for 2026 October Start

Orientation: October 19 | First Day of Class: October 20

*credits are dependent on program curriculum

Student Support

Students joining WashU Olin at the October start date will receive dedicated support from the Graduate Programs Office and the Student Affairs team, helping students engage with tutoring resources, student clubs, experiential learning, faculty connections, and more.
